

2017 (12th) SHANGHAI LEAD&ZINC SUMMIT

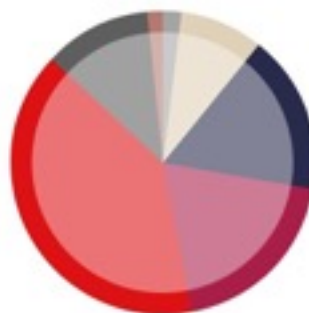

May 19-21 2017 Kunming Yunnan

The annual meeting held for 12 consecutive years 20 years of accumulation of industry information
SMM provides the communication platform of the highest popularity for the lead and zinc industry.

Industries:

International lead&zinc ore supplier/ International smelter
Chinese lead&zinc ore supplier/ Chinese smelter
Galvanizer/ brass producer/zinc oxide smelter/ casting/zinc alloy producer
Secondary lead/lead-acid battery producer
Lead&zinc spot trader/ end-user company
Futures/ investment banks/ consultation/ research institution / others

Participants:

Government and association 2%
Mining companies 7%
Smelters 18%
Traders 19%
Processing companies 40%
Third party 12%
Others 2%

Supporting Media:

Backdrop:

China's economy growth is expected to be at 6.5% in 2017 and will it keep rising under supply-side structural reform? As China's economy will face downward pressure in Q2 2017, what actions the government will take on monetary policy? How will US Fed raise interest rate and who will global economy develop with Trump's new policy? With China's strict environmental protection inspections, promotion of supply-side structural reform and industrial upgrade, what challenges and opportunities will domestic lead & zinc industry face in 2017? The 12th SMM Lead&Zinc Summit in Yunnan's Kunming in 2017 will give you the answers.

Features:

1. Experts

Experts					
Anhui Huaxin Lead Industry Group Co., Ltd.	Lu Xuexi	General Manager	Jiangsu New Chunxing Recycling Co., Ltd.	Chen Jianfang	Vice CEO
Chaowei Power Co., Ltd.	Zhou Longrui	Vice Chairman	Shanghai Xinyun Precious and Rare Metal Regeneration Co., Ltd.	Wu Xiaoyun	Chairman
Fujian Yaheng Power Technology Group	Chen Yong	Deputy General Manager	Shanghai Eagle Metal Co., Ltd.	Li Zhihua	CEO
Hechi Nanfang Non-ferrous Metal Smelt Co., Ltd.	Zhou Nanfang	Chairman	Tianjin YouFa Steel Pipe Group Co., Ltd-NO.1 Branch Company	Dong Xibiao	Deputy General Manager
Guangxi Chengyuan Mining & Smelting Co., Ltd.	Zhou Xin	Deputy General Manager	Tianneng Battery Group Co., Ltd.	Zhang Augen	Vice CEO
Hanzhong Zinc Industry Co., Ltd.	Liu Chaobin	Chairman	Wuhan Changguang Battery Co., Ltd.	Zhen Haidong	Chairman
Henan Zhicheng Gold and Lead Co., Ltd.	Liu Fangmin	Deputy General Manager	Western Mining Co., Ltd. Shanghai Branch	Li Jianmin	General Manager
Henan Yuguang Gold and Lead Co., Ltd.	Li Xiaodong	Deputy General Manager	Xinbaerhu Youqi Rongda Mining Co., Ltd.	He Baorong	Deputy General Manager
Hubei Jinyang Metallurgical Incorporated Co., Ltd.	Wang Jin	Deputy General Manager	Yunnan Chihong Zinc&Germanium Co., Ltd.	Chai Zhenglong	Deputy General Manager
Hunan Yuteng Nonferrous Metals Co., Ltd.	Zhu Ming	Executive Vice President	Zhejiang Changxing Tianchuan Logistics Co., Ltd.	Shen Jianhua	Chairman
Jiyuan Jinli Smelting Co., Ltd.	Cheng Quanming	Chairman	Battery Industry Association of Zhejiang Province	Yao Lingchun	Secretary-General
Jiyuan Wanyang Smelting Group	Lu Yiming	Chairman	Zhuzhou Smelter Group Co., Ltd.	Li Xiongzi	General Manager
Leoch Battery	Dong Jie	Vice CEO	*Names listed in no particular order		

2. Face-to-Face Communication

500+ square meters trading hall and **30+** negotiating tables

- Demand & Supply Wall: The summit will provide information for purchase and sales, quality requirement and demand from companies.
- Signed-up registers will be showed on a screen for person search.

3. Opinions

You will hear different opinions which will be showed in videos or audios onymously or anonymously and can release your own opinion on hot topics.

4. Market Barometer

Registers will vote for topics what you concern. Representatives will deliver their comment on prices, orders and trend for 2017 with charts.

5. Chat rooms

The summit builds chat rooms for attendees and it is convenient for participants to find people, communication and order placement. (The chat rooms will be valid until late 2017)

Meeting Agenda

May 19

Communication

09:00-10:00 Sign in

10:00-12:00 Face-to-face Communication

12:00-13:30 Buffet Lunch

Macroeconomy

13:30-13:45 Opening & Address

13:45-15:00 A Speech on China's Monetary Policy and Global Economy in 2017

- ◆ China economic growth is expected to be at 6.5% in 2017 and will China reach balance of reform and growth?
- ◆ As China's economy will face downward pressure in Q2 2017, what actions the government will take on monetary policy?
- ◆ What hike rate path will US Federal Reserve take, and how will global economy develop with Trump's new policy?

Speaker

Zhong Zhengsheng, Chief Economist of China S
of Economic Reform

15:00-15:30 Communication

15:30-16:00 A Speech on Lead&Zinc Industry Development Forecast under Industry Policies during the 13th Five Year Plan Period

Speaker

Peng Tao, Secretary-General of CNIA Lead&Zinc

Branch

Topic Backdrop: During the 13th Five Year Plan period, lead&zinc industry faces more complex economic environment and enterprises are required to upgrade production technology according to industry policy with strict environmental protection inspections. How will Environmental Protection Tax Law and energy conservation and emission reduction programme during the 13th Five-Year Plan period affect lead&zinc industry development?

Lead & Zinc Prices Outlook

- ◆ Effect on lead smelters from ore supply
- ◆ Difficulties and Challenges for the Lead Sector in 2017
- ◆ Proportions of secondary lead increases in lead supply market
- ◆ Lead prices outlook in 2017

Speaker : Li Qinghan, SMM Lead Analyst

16:30-17:00 A Speech on Hot topics of zinc market and forecast in 2017

- ◆ Effect from zinc concentrate supply
- ◆ Zinc market outlook
- ◆ What's outlook for zinc downstream demand?
- ◆ Analysis of secondary zinc replacement for primary zinc
- ◆ Zinc prices outlook in 2017

Speaker :Sunyi, SMM Zinc Analyst

17:00-17:30 A Speech on Application of Futures/Option in Lead&Zinc Industry

- ◆ Application of hedging in lead&zinc industry
- ◆ Chances for lead&zinc industry from option

Speakers be invited: Investment or futures company

18:30-20:00 Dinner (including lottery)

May 20

Industry Chain

09:00-09:40 A Speech on Supply Balance Forecast of Lead&Zinc Concentrate

- ◆ Time to commission new projects or restart old ones and output from those projects both at Chinese and foreign mines
- ◆ Analysis of operation quotas of chinese mines
- ◆ Will environmental protection inspections and production safety checks keep restraining output at mines in 2017? And will the government loose the inspections?

Speaker to be invited: CHR Metal

09:40-10:20 A Speech on Effect on Lead Smelting from Chinese Industrial Policies

- ◆ Stricter environmental protection inspections optimize industry structure
- ◆ Effect on local smelters from industry policies
- ◆ Difficulties and challenges for lead smelters in new environment

Speaker to be invited: Yunnan Zhenxing Gro

- ◆ On environmental protection inspections and liquidity
- ◆ Lead&Zinc Summit from fierce competition affect the industry?

Sponsors: Nonferrous Metals Society of Shanghai, SMM

- ◆ How market pattern will be with rising usage proportion of secondary lead continues?
- ◆ Effect on China's lead supply (Import of Solid Wastes (Revised Draft)).
- ◆ Effect on secondary lead industry from MIIT's Regulations on Secondary Lead Industry

14:10-14:50 A Speech on Policy Analysis on Scrap Battery Recycling

- ◆ How will extended producer responsibility policy affect scrap battery recycling?
- ◆ Current scrap lead-acid battery recycling pattern
- ◆ Scrap lead-acid battery output发

Speaker : Cao Piliu, Chairman of China

Topic Backdrop: As secondary lead replacement ratio for primary lead continues rising, China's State Council released a series of policies, including extended producer responsibility, Procedures on Prevention and Control of Pollution from Lead-Acid Battery Recycling and Production and Procedures on Prevention and Control of Pollution from Scrap Battery, increasing requirements on battery producers. Will this bring a big change for lead industry chain?

14:50-15:30 A Speech on Lead-Acid Battery Demand in E-Vehicle, Vehicle and Energy Storage Sectors

- ◆ China ends half-cut in purchase tax for small engine vehicles in late 2016 and releases 25% cut in purchase tax in 2017. How will this affect lead-acid battery demand?
- ◆ Challenges for lead-acid battery industry: Battery producers expanded capacity on Li-battering, striking lead-acid battery industry
- ◆ Opportunities for lead-acid battery industry: New entrants, such as start-stop battery and graphene battery, bring new chances for battery producers.

China Battery Industry Association

15:30-16:00 Communication

16:00-16:40 A Speech on Status Quo of Galvanizing Industry and its Demand Analysis in Automobile and Construction Industry in 2017

- ◆ Proportion of galvanized plate/sheet end-user demand and demand forecast
- ◆ Highlights behind steel structure demand growth in 2017
- ◆ Aluminum alloy's replacement for steel in automobiles
- ◆ Expansion of galvanized plate/sheet production lines in China
- ◆ Production and operation condition at domestic galvanized steel mills

End

Registration Form

Company (Name Of Invoice)					
Contact Person		Tel/ Mobile		Travel/ not Travel	
Company Address			Fax/E-Mail		
Main Business			Company Type		
Contact Information Of Meeting Attendant					
Name	Dept./Position	Mobile	Tel	Fax	Email/QQ
Total Meeting Registration Fee		_____attendants Total		Signature/seal	

Note: company type is classified into mining company, smelting company, industry & trade integrated company, trader, processor, third party, etc.

Supply & Demand Information Form (Please fill in for your own interest.)

Company Name			
Contact Person		Dept./Position	
Tel		Tel	
Fax		Email	
Products to Buy	Specifications	Products to Buy	Specifications
Products to Sell	Specifications	Products to Sell	Specifications

Before February 28-March 10 **USD1,098/person**
[supplier& buyer information for free]

March 11—April 9 **USD1,298/person**
April 10-May 19 **USD1,398/person**

Notes for Cancellation:

An amount equals to 50% of participation charge should be deducted for any cancellation before April 21, 2017, and no charges will be returned for any cancellation after the deadline. The organizing committee should be informed of any possible personnel changes relating to participants at least a week in advance.
